● You should be able to see all that is described on the track. Items described as shown in colour in the display will appear Black on models CVP204/205/206.

◐ The majority of the track is appropriate for your CVP model (with the exception of the microphone track). Most differences are minor. See page 2 of the enclosed booklet for full details.

○ This track does not apply to your model of CVP.

The lesson plan included with the set shows the lessons knowledge required if you wish to jump ahead to a particular track.

It is recommended to work through all of the CD's from the beginning as there are lots of hidden gems of information on all tracks.

- Cover the whole course in 20 days spending approx. half hour a day.
- Found to be easier to follow than DVD in our trials with keyboard owners.
